

USER GUIDE
How to get Started
Using BANXA (PC)

HOW TO GET STARTED USING BANXA (PC)?

1. Log into your account, click on [Fiat Currency]-[Bank Card Payment].

2. Select Banxa as the service provider, and then select a token to purchase and a fiat currency to use. Enter the total purchase amount denominated in either fiat or token.

3. Read and agree to the disclaimer, and then click “confirm”.

The following steps need to be completed on the Banxa website in order to continue the process.

4. Confirm your order details and create the order. Please note that the commission fee is already included in the total payment.

5. Enter your email and mobile number and click “Confirm”.
